 - Somerton cannot hold the Ode Age this year. Brookside will hopefully be able to hold the meet again this year on the 16th at George School.
 - Interdivisional meets are done first because they gets teams ready for meets, can be used to get times and allow for rain date availability later in the season.
- Champs sites/schedule
 - LMT may have an issue hosting champs and finals both due to schedule. They are checking with their township. Board is working on contingency plans if needed.
- Roster meeting date Monday June 20th
- Sexual abuse clearances are the responsibility of each team to maintain records and have available whenever requested. Information is available on the website.

- Stroke and turn clinics –
 - any team who wants to host needs to let us know the date and information.
 - Officials need to go to a session every year unless they are professionally certified through the Y or USA. SAL officials still must come every year.
 - There will be a mandatory short meeting for ALL officials as well to review the LBSL specific rules.
